NORTHERN COLORADO PLATEAU VITAL SIGNS NETWORK AND PROTOTYPE CLUSTER PLAN FOR NATURAL RESOURCES MONITORING

PHASE I October 1, 2002 In Two Volumes

Prepared by:

Angie Evenden, Ph.D. - NCPN Program Manager
Mark Miller, Ph.D. - NCPN Program Ecologist
Margaret Beer - NCPN Data Manager
Elizabeth Nance - NCPN Data Technician
Sonya Daw - NCPN Biological Technician
Aneth Wight - NCPN Cartographic Technician
Mike Estenson - NCPN Data Technician
Lynn Cudlip - Western State College
With Assistance from the NCPN Technical Committee

| Appendix C.   | Charter for the Northern Colorado Plateau Network Inventory and Monitoring Program                                                                                                                       |
| Appendix D.   | Recommended Approach for Developing a Network Monitoring Program (Guidance from NPS Washington Office Inventory and Monitoring Program, 2000)                                                            |
| Appendix E.   | Northern Colorado Plateau Network Guidelines for Data Entry: Dataset Catalog and NatureBib                                                                                                               |
| Appendix F.   | Sample Records from Dataset Catalog and NatureBib, Northern Colorado Plateau Network                                                                                                                     |
| Appendix G.   | Structure of the Northern Colorado Plateau Network GIS Inventory Database                                                                                                                                |
| Appendix H.   | Northern Colorado Plateau Monitoring Table Key and Sample Records                                                                                                                                        |
| Appendix I.   | Summary of Legislation, National Park Service Policy and Guidance Relevant to<br>Development and Implementation of Natural Resource Monitoring in Park Units of the<br>Northern Colorado Plateau Network |
| Appendix J.   | Legal and Administrative Context for Monitoring Water Resources                                                                                                                                          |
| Appendix K.   | Summary of Park Legislation, General Management Plans, Resource Management Plans, Statements for Management, and Government Performance Act (GPRA) Goals for Northern Colorado Plateau Network Parks     |

| Appendix L. | Northern Colorado Plateau Park Descriptions                                                                |
|-------------|------------------------------------------------------------------------------------------------------------|
| Appendix M. | Elevation and Topography of Northern Colorado Plateau Network Parks                                        |
| Appendix N. | Description of Water Resources of the Northern Colorado Plateau Network                                    |
| Appendix O. | Priority Management and Monitoring Issues for Northern Colorado Plateau Network Parks                      |
| Appendix P. | Management and Scientific Water Resource Issues in Northern Colorado Plateau Network Parks                 |
| Appendix Q. | Recreational Visits to Northern Colorado Plateau Park Units                                                |
| Appendix R. | Designated Wilderness and Research Natural Areas in the Northern Colorado Plateau Network                  |
| Appendix S. | Status of the 12 Basic Data Sets, Northern Colorado Plateau Network                                        |
| Appendix T. | Air Quality Monitoring Considerations for the Northern Colorado Plateau Network                            |
| Appendix U. | Soundscape Inventory and Monitoring Considerations for the Northern Colorado Plateau Network               |
| Appendix V. | Prototype Monitoring Theme Development and Description for the Northern Colorado Plateau Prototype Cluster |
| Appendix W. | Draft Outline, Northern Colorado Plateau Network Data Management Plan                                      |
| Appendix X. | Northern Colorado Plateau Network, Memorandum of Agreement for Research Permitting                         |
